

CREATIVE THINGS TO DO AT HOME

Tick off each activity when you've finished them

Play a game of Eye Spy. Draw pictures of the things you find.

Paint or draw a picture of something you can see in your house or neighbourhood and hang it on your wall.

Build an indoor cubby house to play in.

Write a story and create the illustrations, just like a storybook.

Research an artist you admire and see if you can make an artwork in the same style as them.

Cook a meal with your family and learn a new recipe.

Write a postcard or letter to a friend and send it to them.
