

EXHIBITION PROPOSALS

CALL FOR PROPOSALS :: NEXT DEADLINE: 5 NOVEMBER 2021

Are you interested in exhibiting with Lismore Regional Gallery?

The first floor galleries showcase curated exhibitions and touring exhibitions, with a dedicated gallery for the permanent collection. Our programs in these spaces will be balanced across the year to reflect the diverse interests and voices of people from our region and beyond.

The prominently located downstairs Jenny Dowell Gallery will prioritise local early career artists in a program of about eight exhibitions per year. The gallery is approx. 9.8m x 3.5m x 3.4m (h) (see floor plan) and has gallery lighting and hanging tracks. Artists will receive a fee of \$250 per show, and be expected to help with installation/de-installation. With a large floor to ceiling window, the gallery space will be highly visible to people passing by and those engaging in activities in the Lismore Quadrangle.

Exhibition proposals can be submitted anytime throughout the year. A selection panel will assess all proposals following our annual deadline (5 November). Exhibitions assessed in the November 2021 round will be programmed from early 2023, primarily in the downstairs Jenny Dowell Gallery.
